

AMERICAN **KAVA** ASSOCIATION: COA SUBMISSION FORM

This form requests a full Certificate of Analysis (COA) for each of your kava samples to meet FDA requirements. Tests include Microbiological, Heavy Metals, Digital Photo Microscopy, High-Pressure Liquid Chromatography (HPLC) and High-Pressure Thin-Layer Chromatography (HPTLC).

INSTRUCTIONS:

Enclose this sheet with your samples clearly marked (100g each, packaged separately). Allow 10-14 days for processing.

You will be provided a physical COA and a link to a downloadable PDF version.
